Permissions:

Purton Tennis Club ('The Club') recognises the need to ensure the welfare and safety of all young people in tennis. As part of this commitment we will not permit photographs, video images or other images of young people to be taken or used without the consent of the Parent/Guardian and the young player. The club will take steps to ensure that these images are used solely for the purpose for which they are intended, which is the promotion and celebration of the club's tennis activities. If you become aware that these images are being used inappropriately you should inform the club's Child Protection Officer immediately. If photographs e.g. team or action shots are submitted to the Press or published on the club's website, individuals may be identified.

Please note: The club understands that there are circumstances under which a parent would not wish their child to be photographed. Whilst the club will do all it can to ensure the safety of children during matches, it is the responsibility of the parent concerned to ensure that if necessary their child is not photographed or videoed. The club is unable to supervise individual children during tennis activities or competitions.

Photography and Recorded Images Consent:

I hereby grant Purton Tennis Club the right to use images resulting from photography at coaching sessions, matches and tournaments for all general publicity purposes:

Transport to Matches & Practice Sessions

Purton Tennis Club policy is that parents or other responsible adults are responsible for the transporting of players to and from matches and practice sessions and therefore the Club will not be registering private vehicles for transportation of individuals in connection with any fixtures or practice sessions arranged by the club. The implementation of this policy is not intended to exclude any player from participation and parents or guardians should contact the Club's Child Protection Officer if they have any problems with the transportation of players to matches or practice sessions.

Club Changing Policy

All parents must be aware that there are circumstances under which players under the age of 16 years may find themselves changing clothes in the presence of persons over the age of 18 years. The Club requests that if any parent is not comfortable with this arrangement then it is their responsibility to ensure the following:

- Young players who do not wish to change or shower with adults are under no obligation to do so and are advised to change and shower at home.
- Parental consent must be given if young players are to share changing room facilities with adults.
- It is the responsibility of the parent concerned to ensure that their child does not enter changing facilities at any time if consent is not given.
